

Subject: Psychology

Year 9

Autumn

Year: 9		Term: Autumn			
Subject	Topic	Key Knowledge	Links to prior learning	Wider curriculum connections	Knowledge booklet / Quizlet
Psychology	Social Influence	Key concepts: - Collective behaviour - Crowd behaviour - Anti social/pro social behaviour -Obedience -Conformity	No prior learning	- Citizenship - Sociology	Paper 2: Social Influence Q1-10
	Social Influence	The effects of situational factors on behaviour theory	All key concepts of Social Influence	- History WW2	Paper 2: Social Influence Q11-44
	Social Influence	Situational factors research study - Bickman	The effects of situational factors on behaviour theory	- Science (conducting research experimental research)	Paper 2: Social Influence Q45-70
	Social Influence	The effects of dispositional factors on behaviour theory	All key concepts of Social Influence	- Citizenship - History WW2	Paper 2: Social Influence Q71-96
	Social Influence	The Dispositional Factors research study - The	The effects of dispositional factors on behaviour	- Citizenship	Paper 2: Social Influence Q97-112

Subject: Psychology

		Tottenham Riots	theory		
	Social Influence	Application: Changing attitudes in relation to mental health stigma and discrimination	Minority influence	- Citizenship	Paper 2: Social Influence Q113-118

Year 9

Spring

Year: 9		Term: Spring			
Subject	Topic	Key Knowledge	Links to prior learning	Wider curriculum connections	Knowledge booklet / Quizlet
Psychology	Memory	Key concepts of memory -Information processing -Anterograde and retrograde amnesia -Decay -Displacement -Retrieval failure	No prior learning		Paper 2: Memory Q1-13
	Memory	Structure and functions of the brain in memory	The influence of the brain in dispositional factors	Biology	Paper 2: Memory Q14-25
	Memory	The multi-store model of memory	-Information processing -Decay and displacement		Paper 2: Memory Q26-46
	Memory	The	-The	Biology	Paper 2:

Subject: Psychology

		multi-store model of memory research study - the case of Clive Wearing	multi-store model -Retrograde and anterograde amnesia -Structure and function of the brain in memory		Memory Q47-59
	Memory	Reconstructive memory theory	-The multi-store model for evaluation of this theory		Paper 2: Memory Q60-75
	Memory	Reconstructive memory research study	-The reconstructive memory theory - Bickman study (how to conduct research)	Science - conducting experimental research	Paper 2: Memory Q76-95
	Memory	Application: Techniques used for recall in advertising	-Retrieval failure -The multi store model theory		Paper 2: Memory Q96-99
	Memory	Application: The Wechsler Memory Scale	Retrograde and anterograde amnesia		Paper 2: Memory Q100-101

Year 9

Summer

Year: 9						Term: Summer					
Subject	Topic	Key Knowledge	Links to prior learning	Wider curriculum connections	Knowledge booklet / Quizlet						

Subject: Psychology

Psychology	Sleep and Dreaming	The functions of sleep	No prior learning relevant		Paper 2: Sleep and Dreaming Q1-7
	Sleep and Dreaming	The sleep cycle	No prior learning relevant		Paper 2: Sleep and Dreaming Q8-16
	Sleep and Dreaming	The neuropsychology of sleep	General neuropsychology from previous topics	Biology	Paper 2: Sleep and Dreaming Q17-24
	Sleep and Dreaming	Sleep disorders	Functions of sleep		Paper 2: Sleep and Dreaming Q25-28
	Sleep and Dreaming	The Freudian Theory of Dreaming	No relevant prior knowledge	Philosophy and ethics?	Paper 2: Sleep and Dreaming Q29-39
	Sleep and Dreaming	Freudian Theory of Dreaming research study - Wolfman	The Case of Clive Wearing to revisit the case study method		Paper 2: Sleep and Dreaming Q40-55
	Sleep and Dreaming	The Activation Synthesis Theory of Dreaming	-The neuropsychology of sleep -The Reconstructive theory of memory	Biology	Paper 2: Sleep and Dreaming Q56-67
	Sleep and Dreaming	The Activation Synthesis Theory of Dreaming research study	-The Activation Synthesis Theory of Dreaming -	Science - the experimental method	Paper 2: Sleep and Dreaming Q68-79
	Sleep and Dreaming	Applications: Development of treatments	-Sleep disorders -Neuropsychology of sleep		Paper 2: Sleep and Dreaming Q80-90

Subject: Psychology

		for insomnia and sleep hygiene education

Year 10

Autumn

Year: 10		Term: Autumn			
Subject	Topic	Key Knowledge	Links to prior learning	Wider curriculum connections	Knowledge booklet / Quizlet
Psychology	Criminal Psychology	Defining criminal behaviour	Social influence - anti-social behaviour	Sociology - Crime and Deviance	Paper 1: Criminal Psychology Q1-16
	Criminal Psychology	How crime is measured	No prior learning relevant		Paper 1: Criminal Psychology Q16-22
	Criminal Psychology	Explanation of criminal behaviour: Social Learning Theory	No prior learning relevant	Sociology - Crime and Deviance	Paper 1: Criminal Psychology Q23-35
	Criminal Psychology	Social Learning Theory - Research study	Explanation of criminal behaviour: Social Learning Theory	Science - The experimental method Maths - Measures of central tendency	Paper 1: Criminal Psychology Q36-66
	Criminal Psychology	Explanation of criminal	General neurpsychol	Biology - The central	Paper 1: Criminal

Subject: Psychology

		behaviour - Eysenck's Criminal Personality Theory	ogy from previous topics for the biological basis of personality	nervous system	Psychology Q67-90
	Criminal Psychology	Eysenck's Criminal Personality research study	Explanation of criminal behaviour - Eysenck's Criminal Personality Theory	Maths - Correlational research including correlation coefficients	Paper 1: Criminal Psychology Q91-103
	Criminal Psychology	Application: The changing nature of punishment	Explanations of Criminal Behaviour - Social Learning Theory	Sociology - Crime and Deviance	Paper 1: Criminal Psychology Q104-114

Year 10

Spring

Year: 10		Term: Spring			
Subject	Topic	Key Knowledge	Links to prior learning	Wider curriculum connections	Knowledge booklet / Quizlet
Psychology	Development	Stages of development	No relevant prior learning	Health and Social Care	Paper 1: Development Q1-6
	Development	Stages of brain development	General neuropsychology from previous topics	Biology	Paper 1: Development Q7-27
	Development	IQ tests as a measure of intelligence			Paper 1: Development Q28-33

Subject: Psychology

	Development	Piaget's theory of Cognitive Development	No relevant prior learning	Loose link to Health and Social Care - Human Life Span Development	Paper 1: Development Q31-59
	Development	Piaget's study into the conservation of number	Piaget's theory of Cognitive Development	Science - The experimental method	Paper 1: Development: Q60-76
	Development	Learning theories of Development - Willingham and Dweck	No relevant prior knowledge	Whole school focus of growth mindset (PSHE?)	Paper 1: Development Q77-98
	Development	Growth mindset research study - Blackwell	Dweck's theory of growth mindset		Paper 1: Development Q99-123
	Development	Application: The Changing Role in Education	Piaget and Learning Theories of Development		Paper 1: Development Q124-137

Year 10

Summer

Year: 10		Term: Summer			
Subject	Topic	Key Knowledge	Links to prior learning	Wider curriculum connections	Knowledge booklet / Quizlet
Psychology	Research Methods: Planning	Hypotheses	-Bickman's experiment -Loftus'	Science - The experiment	Research methods: Q1-5

Subject: Psychology

	research		experiment -Cooper and Mackie -Blackwell	al method	
	Research Methods: Planning research	Variables	-Bickman's experiment -Loftus' experiment -Cooper and Mackie -Blackwell	Science - The experimental method	Research methods: Q6-13
	Research Methods: Planning research	Experimental designs	-Bickman's experiment -Loftus' experiment -Cooper and Mackie -Blackwell	Science - The experimental method	Research methods: Q14-20
	Research Methods: Planning research	Population and sampling	Any psychological study taught so far	Sociology - research methods	Research methods: Q21-28
	Research Methods: Planning research	Ethical issues	Any psychological study taught so far	Sociology - research methods PRE Citizenship	Research methods: Q29-33
	Research Methods: Planning research	Ways of dealing with ethical issues	As above	As above	Research methods: Q34-38
	Research Methods: Doing research	Experiments	Any psychological study taught so far that has used the experimental method	Science - The experimental method	Research methods: Q39-49
	Research Methods: Doing research	Interviews and questionnaires	Any psychological study that has used the self report method	Sociology Business studies Citizenship	Research methods: Q50-64

Subject: Psychology

	Research Methods: Doing research	Observations	N/A	Sociology	Research methods: Q65-85
	Research Methods: Doing research	Case Studies	Clive Wearing - Wilson et al	History Sociology	Research methods: Q86-88
	Research Methods: Doing research	Correlations	Criminal personality research study - Heaven	Maths	Research methods: Q89-97
	Research Methods: Analysing research	Types of data: Quantitative and qualitative. Primary and secondary data	N/A	Maths Business Studies	Research methods: Q98-110
	Research Methods: Analysing research	Descriptive statistics: Measures of central tendency: The mean, median and mode The range	N/A	Maths	Research methods: Q111-116
	Research Methods: Analysing research	Descriptive statistics: Ratios, percentages, fractions, decimals, significant figures, standard form	N/A	Maths	Research methods: Q117-123
	Research Methods: Analysing research	Standard and skewed distributions	N/A	Maths	Research methods: Q124-126

Subject: Psychology

	Research Methods: Analysing research	Tables, charts and graphs	N/A	Maths	Research methods: Q127-132
	Research Methods: Analysing research	Reliability and validity	N/A	Sociology Science	Research methods: Q133-143
	Research Methods: Analysing research	Sources of bias		Sociology History	Research methods: Q144-150

Year 11

Autumn

Year: 11		Term: Autumn			
Subject	Topic	Key Knowledge	Links to prior learning	Wider curriculum connections	Knowledge booklet / Quizlet
